

New Year's Day Sunday January 1st 2023

(Just the white candle is lit)

As we light our centre candle
We thank you Jesus that you are our King.
Be with us as we travel from the old to the
new.

Light of the world, shine on us.

Light of the world shine through us.

Light of the world, light the way.

It's all new to me!

A woman with long dark hair is shown in profile, looking upwards. Her right hand is raised to her head, with fingers running through her hair. She is wearing a dark, sleeveless top. The background is dark and out of focus, suggesting an indoor setting like a gym or studio. The overall image is framed by a warm, orange-to-yellow gradient with several large, soft, circular bokeh lights in shades of yellow and green.

A photograph of a gift wrapped in dark blue, textured fabric, tied with a vibrant red ribbon. The gift is positioned on the right side of the frame, resting on a dark, richly grained wooden surface. The background of the entire image is a warm, orange-to-yellow gradient, decorated with several soft, out-of-focus circular bokeh lights in shades of yellow and green.
