

**Dear God**

**Please help me when life seems like a desert.**

**Please help me to make wise choices.**

**Please help me to be ready to say sorry, to be ready to forgive.**

**Bring us together and bring us peace.**

**Send the rainbow of your forgiveness and let me walk through its archway into the clear blue day of your love.**

**Help me to forget my mistakes but remember what they taught me.**

**Give me a new start today.**

**In Jesus name,**

**Amen.**
