

Call to Worship

**For all the harvests of the world,
we come to say thank you God.
For those who work to gather the crops,
we come to say thank you God.
For those who fill our shops with food,
we come to say thank you God.
For food to eat and food to share,
we come to say thank you God.
For our Harvest Festival day,
we come to say thank you God.**

Prayer of Confession

God our Father, we are sorry that your world has been spoiled.

Help us to care for your creation.

We are sorry when we have forgotten to say thank you.

Help us to remember all good gifts come from you.

We are sorry when we do not share what we have.

Help us to see the needs around us and respond.

Lord forgive us and help us we pray.

Amen.
