Charity shop in 'clear your clutter' call for donated items

A newly-opened Haverhill charity shop is hoping to receive an influx of donated items on National Clear Your Clutter Day tomorrow.

The Danaher Animal Home shop is calling for people to clear out their cupboards, wardrobes and drawers for items which could help raise funds for the Wethersfield-

based charity.

Julia Askam, Danaher area retail manager, said: "We hope National Clear Your Clutter Day will encourage more people to pop in, find something they want and donate toward the upkeep of the many dogs, cats and other animals that we look after."
