- Help needed

Can anyone help please? A Ukrainian family has arrived in Calford Green. The husband is an English teacher but his wife and child speak no English yet. They are both feeling very lonely as they can't be understood.

Does anyone speak Ukrainian Here ? Or know someone who does please?

The little boy is starting school in Kedington I understand.

I can't imagine how they must feel after all they are going through and being unable to speak the language.....

Please contact me if you can help in any way ?

Thanks
