- Opportunity for service

Keith Barker has stepped down as Communion Steward after many years of faithful service. We thank you Keith for all your helpful service.

We are seeking new Communion Stewards, who are members of the church. Gloria has volunteered and has been appointed. A couple more volunteers in this role who are church members would be helpful.

The duties involve preparing the bread and wine in good time on Sunday morning, guiding people forward to receive communion and washing up the glasses and putting away afterwards. Communion Stewards are usually appointed by the church council. If you would like to be considered for this role, please speak to Peter. Thank you.

- Link to Hope Shoeboxes

Over the next few weeks there will be a table of various knitted items etc. in the hall suitable for the shoe boxes. Please help yourself Janet

- Useful items available

Graeme Bowers has available a wheelchair and a 3-wheel walking aid that used to belong to Gwen.

If you know anyone who might be able to make use of either, at no cost, please speak to Peter.

- Volunteers??

I have received an email from the Town Council who are collecting volunteer statistics from organisations in Haverhill to gain insight into the level of volunteering already taking place in Haverhill and surrounding area and to help determine the needs of organisations both now and in the future.

I need to complete a short form regarding church members who are volunteering in any capacity. I simply need to know the number of people actually volunteering for anything, either within the church or in the community, no names or roles are needed.

If this is you, please let me know and I will count up the replies and send the form back. Thanks, Kathy.

- Readers & Pray-ers

I am about to compile new rotas for readers and intercessors for Sunday mornings.

If you would like to join either list (or if you no longer wish to be on a list) please let me know asap.

Thanks, Kathy

- Sound System

We have had our current sound system for over twenty years and as I am sure many of you are aware it is no longer fit for purpose.

At our church council meeting last Wednesday it was unanimously agreed that the system should be replaced. The cost to replace it will be in the region of £20,000.00.

We have two legacies from Thelma Mills and Reta Crick totalling £17,000 and the Church Council agreed that using this money to purchase the new sound system would be a lasting legacy to both Thelma and Reta. We therefore need to raise a further £3,000.00

We understand that, given the current economic situation, we are currently all experiencing financial stress. However, if any of our members are in a position to make a gift or an interest free loan this will enable us to go ahead without putting undue stress on the Church finances.

If you wish to donate you can either place your gift in an envelope and mark it Sound System and place it in the collection plate in Church, or by making a bank transfer to:

Haverhill Methodist Church
Sort Code:30-93-99
Account Number : 00100693

Please be assured that whatever you feel able to give will be gratefully received and faithfully applied.
