#### EDI Training

The Methodist Church is committed to justice, dignity and solidarity. A new online Methodist training programme on equality, diversity and inclusion (EDI) is now available and open to all. The 2021 Methodist Conference agreed that this EDI training would be mandatory for those holding certain key roles in the church, including ministers, local preachers, safeguarding officers, circuit stewards, church stewards and pioneers. Those expected to complete the training are required to do this before December 31st 2023. More information, including how to register for the training can be found on the Methodist Church website. Here is the direct link <a href="https://mcb.theologyx.com/course/equality-diversity-and-inclusion-foundation-module/">https://mcb.theologyx.com/course/equality-diversity-and-inclusion-foundation-module/</a>

#### • CHURCH & CIRCUIT FINANCES

As we are now six months into our Church year I feel it is an opportune time to address the subject of our church finances. I know its not the most exciting subject in the world, but in the context of our church life it is important

I think it would be useful to give you a brief outline of how the Methodist Church finances are arranged.

Each church is a member of a circuit. The number of churches in a circuit can vary between two to twenty.

The circuit is responsible for paying the ministers salary, water rates and all other costs related to the manse. In addition, we have to pay an assessment of £2,300.00 per quarter as a district Levy plus a quarterly contribution of £575.00 to the minister's travel fund. So, every month each church contributes to circuit funds. On top of this each church is also responsible for meeting the running costs of the church.

Haverhill is unique insofar as it is a single church circuit. Of course, the upside to being a single Church circuit is that we have the

enormous benefit of not having to share our minister with other churches.

The downside is that we have to meet all of the circuit costs plus our own church running costs.

Currently the Circuit costs are running at £4,500 per month (i.e. £54,000 per year)

and the Church running costs are running at £32,000 per year. We therefore need to raise £86,000 per year to meet our commitments.

The three main sources of income are:

Monthly/weekly giving
 Hall Hire
 Tax Rebates (Gift Aid)
 £52,000 Per year
 £13,000 Per year
 £10,000 Per year

This amounts to a total of £75,000 per year leaving us with a shortfall of £11,000 per year.

We do have reserves to call on but at the present rate they will be exhausted in 2 years' time.

If we are to remain a single church circuit we need to address this shortfall.

The obvious way to balance the books is to increase our regular giving. By my calculation this would need an increase of 21%

I realise that this is a lot to ask, but I would ask that you think and pray about our financial situation and if you can increase your giving by whatever amount you are able it will be most gratefully received and faithfully applied.

David Rinaldi
Church & Circuit Treasurer
