

The Power of Petition

Hello my name is Emma Wilson and I am 6 years old. I go to Burton end primary school. During the summer holidays I've noticed a lot of people dropping rubbish on the floor and I seen lots of rubbish near KFC and the sports centre. I was thinking you should put stop dropping rubbish signs up or else we will have nowhere to live as it's bad for the environment.

Emma

Letter given to her MP

**Dear Emma,
Sorry it has taken a while to get back to you, regarding
litter in town.**

**Next time you come into the High Street I hope you will see
the brand-new extra-large bins that have been installed.
These have a bigger gap for people to tip their rubbish and
a larger capacity. The old bins will be refurbished and be
put in new locations, including on the Jubilee Place area.
We successfully sought £2,600 funding from the UK Shared
Prosperity Fund for this as a result of your observations – it
wouldn't have happened otherwise.**

Best wishes

**Colin Poole BA(Hons) PSLCC
Town Clerk**

Bigger bins

A big litter notice

“It always seems
impossible until
it’s done.”
